Saipem construct 420km
DN1050 Gas Pipeline as part of
GLNG Project.

In June 2012 Saipem Australia contracted with Wasco to provide Supervision, Inspection, Administration and Field Construction Personnel to work with its construction team on this major pipeline project for Queensland.

Saipem is constructing 420km of DN1050 (42") Gas Pipeline from Fairview to Curtis Island. The project employs over 1000 people. Wasco personnel form part of the senior team at the project.

The project is due to be completed in 2014.
