

TARGET ZERO POLICY

TARGET ZERO - ALL INCIDENTS AND INJURIES ARE PREVENTABLE

Wasco believes that all incidents and injuries are preventable and that **TARGET ZERO** is an achievable goal. Wasco is committed to targeting zero lost time injuries (LTIs) and zero medically treated injuries (MTIs) in the workplace.

The goal **TARGET ZERO** will be achieved by using Wasco's safety management system, ensuring all employees and sub-contractors are competent and trained for their assigned tasks and adopting a management led proactive culture that encourages feedback and discussion to facilitate continuous improvement to safety performance.

Wasco hopes you find your work enjoyable, safe and rewarding.
