

WASCO

QUALITY POLICY

Wasco Australia Pty Ltd is an EPC contractor that provides engineering, design, procurement, fabrication, installation, testing, commissioning, operations support, maintenance, and component supply of oil, gas, energy and related surface facilities

Our goal is to;

- Deliver fit for purpose solutions to meet client requirements
- Deliver defect free products and projects, on time and at the most competitive cost possible
- Provide exceptional service and reliability
- Provide quality workmanship by committed and trained personnel
- Provide value for money using only suitable quality materials.
- Satisfy the requirements of our clients' and industry regulators
- Understand, meet and, when possible, exceed our customers' requirements through the continuous improvement of our processes.

Wasco Australia is committed to achieving the requirements set out in AS/NZS ISO 9001 and continually improving our services, systems and processes. This will be accomplished by:

- The establishment and implementation of the Integrated Management System (IMS) framework and associated documentation aimed at satisfying, AS/NZS ISO 14001, AS/NZS 4801, AS/NZS ISO 9001, and Client requirements; and the company's goals and objectives;
- Responsibilities being clearly defined, structured, accomplished and verified;
- All personnel working within the framework of the quality management system;
- The system being constantly monitored by review and auditing; and continuously improved
- Reviewing and updating this policy to ensure it remains relevant to our business
- This quality policy being communicated and understood throughout the organisation.
- Developing the skills and competencies of our personnel to improve company performance and delivery capability;
- Ensuring Client satisfaction both during and after delivery;
- The development, implementation and continual review of management plans and procedures designed to meet the varied needs of our Clients and
- Setting measurable, realistic objectives and targets and reporting on progress towards their achievement.
